Print Shop™ GRAPHICS LIBRARY™

Disk I Instructions

Introduction:

Now The Print Shop is more useful than ever for school and home. Disk I of The Print Shop Graphics Library brings you 120 new graphics—many created for your use around traditional holidays and special occasions throughout the year. In addition to holiday themes, you have the choice of zodiac signs, animals, sports/games, kids/school pictures, creative patterns and more.

Demonstration:

For a demonstration of some of the graphics included in The Print Shop Graphics Library, Disk I, insert Side A (label side up) of The Print Shop Graphics Library, Disk I into your disk drive and turn on your computer. A graphics demonstration will begin automatically.

Getting Started:

The Print Shop Graphics Library, Disk I is easy to use. All you need is The Print Shop to get started. You will be using The Print Shop in exactly the same way as you have before. Just start up the program and follow the prompts that appear on the screen.

Using Disk I Graphics:

Select your choice of GREETING CARD, SIGN, LETTERHEAD or BANNER from the main menu of The Print Shop. When you reach CHOOSE A GRAPHIC, highlight FROM OTHER DISK. Then follow the prompts. Refer to the enclosed graphics card to see if the graphics you desire are on Side A (label side up) or Side B (label side down) of your Graphics Library, Disk I. Type in the *name* of the graphic you want. If you get a message that the graphic is not found, make sure that the name of the graphic is spelled correctly, that your graphics disk is in the correct drive, and that you're looking at the correct side of the disk.

Modifying Disk I Graphics:

You can also modify your new Print Shop graphics with the GRAPHIC EDITOR and then save them to another data disk. After selecting Graphic Editor, type CTRL-G, then highlight FROM OTHER DISK and follow the prompts. Type in the name of the graphics you want to modify.

Slide Show:

Side B (label side down) of your Print Shop Graphics Library, Disk I offers you a colorful and exciting collection of stills and animation by computer artist Martin Kahn. These screens can also be loaded into the SCREEN MAGIC function of your original Print Shop and can be printed out with or without letters superimposed on them. ***Suggestion:*** Print out these Screen Magic graphics to create an imaginative and fun coloring book!

Warranty

This program is fully guaranteed. If it ever fails to boot, return the original disk to Brøderbund Software for a free replacement. If the disk has been physically damaged, please include \$5 for replacement, plus \$2.50 for postage and handling.

Print Shop™ GRAPHICS LIBRARY™

Disk 2 Instructions

Introduction:

Brøderbund has received an overwhelming number of requests from owners of The Print Shop for special graphics depicting everything from Mother Goose to a DNA strand. Disk 2 reflects these requests. The vast majority of graphics included fall into the following categories, which we are pleased to offer you now: Jobs, Hobbies, People, Places, Travel, Health, Music and more. Thanks, Print Shop owners, for all your enthusiasm and imagination!

Demonstration:

For a demonstration of some of the graphics included in The Print Shop Graphics Library, Disk 2, insert Side A (label side up) of The Print Shop Graphics Library, Disk 2 into your disk drive and turn on your computer. A graphics demonstration will begin automatically.

Getting Started:

The Print Shop Graphics Library, Disk 2 is easy to use. All you need is The Print Shop to get started. You will be using The Print Shop in exactly the same way as you have before. Just start up the program and follow the prompts that appear on the screen.

Using Disk 2 Graphics:

Select your choice of GREETING CARD, SIGN, LETTERHEAD or BANNER from the main menu of The Print Shop. When you reach CHOOSE A GRAPHIC, highlight FROM OTHER DISK. Then follow the prompts. Refer to the graphics card to see if the graphics you desire are on Side A (label side up) or Side B (label side down) of your Graphics Library, Disk 2. Type in the *name* of the graphic you want. If you get a message that the graphic is not found, make sure that the name of the graphic is spelled correctly, that your graphics disk is in the correct drive, and that you're looking at the correct side of the disk.

Modifying Disk 2 Graphics:

You can also modify your new Print Shop graphics with the GRAPHIC EDITOR and then save them to another data disk. After selecting Graphic Editor, type CTRL-G, then highlight FROM OTHER DISK and follow the prompts. Type in the name of the graphics you want to modify.

Send Us Your Graphics:

Many of the graphics on The Print Shop Graphics Library Disks were created by Print Shop users like you! Send us your favorite creations. Who knows? Perhaps your art and your name can be included in a future Graphics Library Disk!

Print Shop ^{THE} GRAPHICS LIBRARY™

Disk 3 Instructions

Introduction:

Disk 3 is a collection of 120 graphics put together with your special needs in mind, whether you're using The Print Shop at home, at school or at work. We've included graphics for business, for international signs and symbols, plus many new Christmas designs. In addition there are graphics representing: Myth and Fantasy, Seasons, Animals and more.

Getting Started:

The Print Shop Graphics Library, Disk 3 is easy to use. All you need is The Print Shop to get started. You will be using The Print Shop in exactly the same way as you have before. Just start up the program and follow the prompts that appear on the screen.

Using Disk 3 Graphics:

Select your choice of GREETING CARD, SIGN, LETTERHEAD or BANNER from the Main Menu of The Print Shop, or the CALENDAR feature on The Print Shop Companion. When you reach CHOOSE A GRAPHIC, select FROM OTHER DISK.

Apple Note: Refer to the enclosed graphics card to see if the graphics you desire are on Side A (label side up) or Side B (label side down) of your Graphics Library, Disk 3.

Commodore Note: As with the original Print Shop program disk, use *Side A* of the Graphics Library disk (label side up) *if you have a non-Commodore printer* connected to your computer via a serial-to-parallel interface device. Use *Side B* of the Graphics Library disk (label side down) *if you have a Commodore VIC-1525 or MPS-801 graphics printer* connected directly. Note also that Commodore VIC-1525 and MPS-801 printers will produce finished graphics that may vary slightly from those shown on the reference card.

Atari Note: Make sure you insert The Print Shop Graphics Library disk into the drive with the label facing up.

Once you have inserted The Print Shop Graphics Library, Disk 3 into the drive, follow the prompts. Type in the *name* of the graphic you want. If you get a message that the graphic cannot be found, make sure the name is spelled correctly, that the disk is in the appropriate drive, and that you are looking at the correct side of the disk.

Modifying Disk 3 Graphics:

You can also modify your new Print Shop graphics with the GRAPHIC EDITOR and then save them to another data disk. After selecting Graphic Editor from either The Print Shop or The Print Shop Companion, type CTRL-G, then highlight FROM OTHER DISK and follow the prompts. Type in the name of the graphic you want to modify.

Send Us Your Graphics: Many of the graphics on The Print Shop Graphics Library Disks were created by Print Shop users like you! Send us your favorite creations. Who knows? Perhaps your art and your name can be included in a future Graphics Library Disk!
