# Print Shop GRAPHICS LIBRARY®

HOLIDAY EDITION

The Holiday Edition gives you fonts, borders, graphics, and full panel designs that bring your favorite holidays to life all year long. Holidays represented include New Year's, Easter, Fourth of July, Halloween, and Christmas, as well as Mother's and Father's Day, Grandparent's Day, Veteran's Day, and many more! These sparkling new designs will help you make your holiday messages as unique and personal as the people you're sending them to.

Look for the entire family of Print Shop programs at your favorite Brøderbund Software dealer.

The Holiday Edition disk gives you over 100 festive fonts, borders, graphics, and full panel designs. Here are just a few samples:

INSTRUCTIONS

INTRODUCTION:
The Graphics Library Holiday Edition has over 100 designs you can use all year long. We've included fonts, borders, graphics, and full panel graphics that cover 27 holidays—from New Year's Day and Martin Luther King, Jr.'s Birthday to Hannukah and Christmas.

GETTING STARTED:
The Holiday Edition is easy to use. You can use The Print Shop in exactly the same way as you have before. Just start up the program and follow the on-screen prompts.

UPDATING YOUR PRINT SHOP FOR HOLIDAY FONTS AND BORDERS:
To use fonts and borders from the Holiday Edition, you must have Version 2.0 or higher of The Print Shop or The Print Shop Companion. If you do not, follow the appropriate directions below to update your Print Shop disk.

Apple Users: Insert Side B of the Holiday Edition disk into the drive (label side up) and turn on your computer. Follow the on-screen prompts.

Commodore Users With Non-Commodore Printers: Insert Side A of Disk 1 (label side up) and type LOAD"*",8,1. Follow the on-screen prompts.

Commodore Users With VIC-1525, Or MPS-801 Printers: Insert Side A of Disk 2 (label side up) and type LOAD"*",8,1. Follow the on-screen prompts.

USING HOLIDAY EDITION FONTS, BORDERS, AND GRAPHICS: Select GREETING CARD, SIGN, LETTERHEAD, or BANNER from the Main Menu of The Print Shop, or the CALENDAR feature on The Print Shop Companion. When you reach CHOOSE A FONT, BORDER, or GRAPHIC, select FROM OTHER DISK(S).

Apple and Commodore Note: Commodore fonts, borders, and graphics are on Side A; full panel designs are on Side B. Apple fonts and graphics are on side A; borders and full panel designs are on Side B.

Commodore Note: Use Holiday Edition Disk 1 if you have a non-Commodore printer. Use Holiday Edition Disk 2 if you have a Commodore VIC-1525 or MPS-801 graphics printer. Commodore VIC-1525 and MPS-801 printers produce graphics that may vary from those shown on the Reference Card.

After you insert the Holiday Edition into the drive, follow the prompts. Type in the name of the font, border, or graphic you want.

USING HOLIDAY EDITION FULL PANEL DESIGNS:
At the Print Shop's Main Menu, select SCREEN MAGIC. When you reach SELECT ACTIVITY, choose GET SCREEN. Then insert Side B of the Holiday Edition disk into the drive and follow the prompts. Full panel designs on the Holiday Edition disk are large, color graphics which depict 12 different holiday scenes.

MODIFYING HOLIDAY EDITION FONTS, BORDERS, AND GRAPHICS:
You can also modify your new Print Shop holiday fonts, borders, and graphics with the FONT, BORDER, or GRAPHIC EDITOR from The Print Shop or the Companion and then save them to another disk. After selecting the appropriate EDITOR, type CTRL-G, then highlight FROM OTHER DISK(S) and follow the prompts. Then type in the name of the font, border, or graphic you want to modify.

Send Us Your Graphics: Many of the graphics on The Print Shop Graphics Library Disks were created by Print Shop users like you! Send us your favorite creations. Who knows? Perhaps your art and your name can be included in a future Graphics Library Disk!

LIMITED WARRANTY INFORMATION

Disk Replacement Policy
If this disk should fail within 90 days of purchase, please return with proof of purchase for prompt FREE replacement. If the disk has been physically damaged, or after 90 days from date of purchase, please include $5 for replacement, plus $2.50 for postage and handling.

Limited Warranty
This manual and the software described in this manual are sold "AS IS," without warranty as to their performance. The entire risk as to the quality and performance of the software is assumed by the user. The user, and not the manufacturer, distributor or retailer assumes the entire cost of all necessary servicing, repair, or correction and any incidental or consequential damages.

However, to the original purchaser only, Brøderbund warrants that the medium on which the program is recorded shall be free from defects in materials and workmanship under normal use and service for a period of ninety (90) days from the date of purchase. If during this period a defect in the product should occur, the product may be returned to Brøderbund or to an authorized Brøderbund dealer along with proof of purchase, and Brøderbund will replace or repair the product at Brøderbund's option without charge to you. Your sole and exclusive remedy in the event of a defect is expressly limited to replacement or repair of the product as provided above.

If failure of the product, in the judgment of Brøderbund, resulted from accident, abuse or misapplication of the product, then Brøderbund shall have no responsibility to replace or repair the product under the above terms.

Nonetheless, such products (and products that become defective after the ninety day replacement period) may be returned to Brøderbund along with $5, plus $2.50 for postage and handling, and Brøderbund will provide you with a replacement, provided the product is stil being manufactured by Brøderbund.

The above warranties for goods are in lieu of all other express warranties and no implied warranties of merchantability and fitness for a particular purpose or any other warranty obligation on the part of Brøderbund shall last longer than ninety (90) days. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. In no event shall Brøderbund or any-one else who has been involved in the creation and production of this software be liable for indirect, special, or consequential damages, such as, but not limited to, loss of anticipated profits or benefits resulting from the use of this software, or arising out of any breach of this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
